

DEMLANG BUILDERS NAMED A PREFERRED BUILDER

Lake Country Village Community in Oconomowoc

Demlang Builders, an award winning homebuilder in both the Waukesha and Greater Milwaukee areas, was named as a Preferred Builder for Neumann Development, Inc.'s new master planned community, Lake Country Village in Oconomowoc.

[Lake Country Village](#) will feature three unique single family neighborhoods with approximately 300 home sites. The new subdivision developments include The Residences offering 43 homesites, The Estates at Lake Country Village offering 24 homesites, and Interlaken Village offering 12 homesites.

Demlang Builders has announced that a limited number of lots are now available for purchase in The Estates at Lake Country Village. Buyers are able to design and build a home or purchase a home and lot package from Demlang Builders with build construction projected to begin as early as this fall.

"We are excited to be selected as one of the Preferred Builders for this amazing new development. Our team is looking forward to begin building Demlang homes in this extraordinary new community," states Rod Demlang, President of Demlang Builders.

The thoughtfully planned neighborhood will offer approximately 110 acres of permanently preserved parks and open space for residents to enjoy. Neighborhood amenities will include five miles of walking and bicycle trails, children's play areas, outdoor swimming pools, fire pits, sports courts and neighborhood gardens just to name a few.
